

arbor circle total trek quest sponsorship

Each year, our TTQ program works with over 700 3rd-5th grade boys in 5 counties (Allegan, Kent, Muskegon, Newaygo, and Ottawa) to help them understand the inherent risks in experimenting with substances such as alcohol, tobacco, and marijuana. The TTQ program teaches how using these substances will have negative consequences on their lives. Building these foundational attitudes and life skills helps participants learn to make healthy life choices and sets them up for a life of better mental and physical health. *Thank you for considering a TTQ program sponsorship!*
