

Internship Opportunities

Are you a Bachelors or Masters level student seeking a social work, counseling, or human services related degree in West Michigan? Arbor Circle's internships are designed to provide a unique and meaningful experience while meeting your school's internship requirement.

Opportunities to Grow

With over 50 programs, Arbor Circle has a wide array of internship opportunities available. You'll receive:

- Placement in an outpatient, residential, community-based or school setting
- Exposure to a variety of career options, including various interventions and populations
- Opportunity for macro level work, advocacy, evaluation, and program development
- Opportunity to participate in DEI focused resource groups
- Supportive supervision including expert feedback and guidance
- Access to free professional development opportunities
- Flexible program hours based on school requirements and your life

Join Our Intern Cohort

In addition to working in your assigned internship area, your Intern Cohort will provide you with the opportunity to participate in activities with other intern colleagues across the organization.

Get the experience you need while having a direct impact on the community! Arbor Circle is currently seeking interns in Kent, Ottawa, Muskegon, Allegan, and Newaygo counties.
